Mangia Pizzeria was founded in 2003. Several family trips to Naples would inspire us to open our first pizzeria in Brookline Ma. We had a passion to create the same flavors and quality here at home.

The entire Mangia team shares a love for developing a collection of red and white signature pizzas, calzones and other Italian specialties and designer salads. Mangia exclusively uses a Whole Wheat dough to create a healthy pizza loaded with taste and texture. The unsurpassed flavor and quality to achieve the ultimate pizza is the result of combining our signature dough, vine ripened tomatoes for our sauce, and the freshest topping available. The Mangia mission is to carry forward our core values of irresistible taste, incomparable quality and welcoming hospitality at each Mangia location!
